

COSMETIC/ELECTIVE BENEFIT RIDER COPAYMENT SCHEDULE

All procedures covered under this Rider must be determined to be cosmetic/elective based upon dental necessity, your Golden West Network General Dentist's professional opinion, and the applicable limitations and exclusions of your dental plan.

Services deemed cosmetic or elective by your General Dentist are subject to the following copayments. All services must be performed by a Golden West Network General Dentist who is accepting the Cosmetic/Elective Benefit Rider. If your dentist is not accepting the rider, you will need to select a new dentist who does accept the rider in order to receive the benefits listed below

ADA CODE	PROCEDURE	MEMBER PAYS
POSTERIOR RESIN RESTORATIONS		
D2391	Resin based composite, 1 surface, posterior	65
D2392	Resin based composite, 2 surfaces, posterior	85
D2393	Resin based composite, 3 surfaces, posterior	105
D2394	Resin based composite, 4 or more surfaces, posterior	125

*Base metal is the benefit. Noble and high noble metal (precious), if used, will be charged to the member at the additional laboratory cost of the noble or high noble metal. This applies to crowns and bridges. Copayments do not include charges for dental laboratory fees.

COSMETIC/ELECTIVE RIDER DEFINITIONS

Arch. Refers to the upper and lower portions of the mouth.

Cosmetic/Elective. A dental service or procedure which is considered optional treatment, usually performed to enhance appearance.

Inlay. A dental restoration made to correspond to the form of the prepared cavity.

Labial. Pertains to the front teeth closest to the lips.

Occlusal Guard. Appliance used to prevent tooth damage caused by grinding the teeth.

Onlay. An indirect restoration that overlays a cusp or cusps of the tooth.

Pontic. An artificial tooth used on a fixed partial denture or bridge.

Posterior. Refers to the teeth toward the back of the mouth including molars and 1st and 2nd bicuspids.

Veneer. A layer of tooth colored material, such as porcelain, ceramic or acrylic resin, attached to the surface of the tooth.
